25X1

The most recent photography of Aircraft Assembly Plant No 473 at Kiyev, USSR, reveals that expansion is continuing. Construction completed since [] includes a warehouse and an addition to the foundry. A large assembly building is under construction, and an addition to a machine shop is nearing completion. Construction is also continuing on the aircraft repair and maintenance area at Kiyev/Svyatoshino Airfield, the adjacent flyaway field.

25X1

On [] 2 CAT/CUB and 10 COKE were observed at the plant. The presence of 10 COKE probably indicates an increase in production, since both final assembly halls are now operational.
